A person whose substantial interests  
are affected by the above proposed  
agency action may petition for  
an administrative determination  
(hearing) under Sections 120.569 and

120.57, F.S. The petition must contain  
the information set forth below  
and must be filed (received) in the  
Department's Office of General Counsel,

copy of the petition to the applicant  
at the address indicated above at the  
time of filing. The failure of any person  
to file a petition (or a request for  
mediation, as discussed below) within  
this time period shall constitute a  
waiver of that person's right to request  
an administrative determination  
(hearing) under Sections 120.569 and  
120.57, F.S., or to intervene in this  
proceeding and participate as a party

(in a proceeding initiated by another  
party) will be only at the discretion of  
the presiding officer upon the filing of  
a motion in compliance with Rule 28-  
106.205, F.A.C.  
A petition that disputes the material

information:

number of each petitioner, the  
applicant's name and address, the  
Department Permit File Number and  
the county in which the project is

petitioner received notice of the  
Department's action or proposed  
action; (c) A statement of how each  
petitioner's substantial interests are  
affected by the Department's action or  
proposed action; (d) A statement of all  
material facts disputed by petitioner, or  
a statement that there are no disputed  
facts; (e) A statement of facts which  
petitioner contends warrant reversal  
or modification of the Department's  
action or proposed action; (f) A  
statement of which rules or statutes the  
petitioner contends require reversal  
or modification of the Department's  
action or proposed action; and (g)

state that no such facts are in dispute  
and otherwise shall contain the same  
information as set forth above, as  
required by Rule 28-106.301, F.A.C.  
Because the administrative hearing  
process is designed to formulate final  
agency action, the filing of a petition  
means that the Department's final  
action may be different from the  
position taken by it in this notice.  
Persons whose substantial interests  
will be affected by any such final  
decision of the Department have the  
right to petition to become a party to  
the proceeding, in accordance with the  
requirements set forth above.  
Mediation is not available in this  
proceeding.
