TJ

Understood you will not be able to meet the 10 day time limit due to storm related issues. Please let me know when the trailer is able to be moved.

Thank you,

John,

First I hope that you are safe.

As you know we have implemented our Hurricane Preparedness Plan. Unfortunately with the volume of waste moving out of our South Florida locations combined with heavy traffic on North Bound routes we have one trailer of waste that will not be able to move in the 10 day time frame. We will ship that trailer out as soon as it is safe to do so and anticipate that the trailer will leave Tuesday September 12. 2017.

TJ,

This trailer will expire at midnight. We are not able to get his trailer to Cordele due to the traffic going up I-75. I anticipate being able to move this trailer on 9/12.

Thanks,
