Mr. W. Crawford
Department of Environmental Regulations
Southwest District
4520 Oak Fair Boulevard
Tampa, Florida 33610-7347

Dear Mr. Crawford:

Presently we are under construction with our Tampa facility and our completion date is projected for the second week in August. We will be submitting our operating request in approximately one (1) week.

We are requesting any extension needed under our construction permit while we are under construction. Thank you.

Sincerely,

Robert J. Bedore
