RE: FLD 981 932 494 - Universal Waste & Transit - Tampa, Florida

Dear Mr. Bedore:

I completed my review of the Letter of Credit and Standby Trust Fund Agreement sent to demonstrate compliance with the financial responsibility requirements of 40 CFR Part 264, Subpart H, as adopted by reference in Rule 17-730.180 F.A.C.. The Letter of Credit No. SB-15135 is acceptable as submitted, and the Standby Trust Fund is substantially in order.

The Standby Trust Fund Agreement with Michigan National Bank is missing Exhibit A. Section 15 of the Standby Trust Fund Agreement requires this exhibit identify those persons designated by the Grantor to give orders, requests and instructions to the Trustee. Also, on the Certification of Acknowledgment accompanying the agreement the Chairman's name is omitted, and no corporate seal is affixed to the instrument. If City Management Corporation has no corporate seal, please amend the language of the instrument removing the reference to a corporate seal.

Also, as we discussed several times on the telephone, I have not received a Hazardous Waste Facility Liability Endorsement or Certificate of Liability Insurance. This document must be submitted at least 60 days before the date on which hazardous waste is first received for treatment, storage, or disposal (40 CFR 264.147(a)(1)(i)).

Please submit a correctly executed Certification of Acknowledgment, Exhibit A and proof of liability insurance coverage using State of Florida Forms (copies enclosed). Failure
