Good Afternoon Kelly,

The permit renewal application submittal for the Cliff Berry Canaveral facility has been received. As discussed on the phone, this submittal was received after the deadline of December 5, 2017; as outlined in the Permit Renewal Reminder Letter dated October 9, 2017. Thus, the Department cannot extend the expiration of your current operating permit should the renewal process go beyond February 5, 2018.

Respectfully,
