RUOH	01/23/2018	Email sent to Todd Johnson: In reviewing your submittal, we noticed additional information is needed. The Insurance form on file is still current received June 2, 2017 unless your policy number has changed (see attached). However, if the Insurance form policy number has changed, please see Insurance form received on January 23rd. UO transporters are required to provide an Insurance form for the automobile liability inclusive of pollution liability. However, in the event your policies are separate then we will need you to submit two separate Insurance forms. Please submit the following to continue updating our database (see attached blank forms for your convenience): Revised Combined HWT/UO Certificate of Liability Insurance form for automobile and pollution liability. NOTE: Transporting used oil without a valid registration is a violation of the law, subject to penalties. As soon as possible, please mail the required form(s) with original (hand signed) signature to: DEP Waste Management Division-HWRS, MS4560 2600 Blair Stone Rd. Tallahassee, FL 32399-2400. Let me know if you have any further questions.	ASHWOOD_J
