Good afternoon Mr. Rodriguez,

Thank you for your time today in helping the Department conduct a hazardous waste and used oil transporter inspection. As discussed, I just need a few items to review in order to conclude that your facility was in compliance.

Please submit the following within **7 days**:

- A scanned copy of the automobile insurance for the trucks
- Pictures of the spill kits within the trucks
- DOT # for the trucks
- Non-hazardous waste determination letter or form you use for the rags you send to Stericycle

If you have any questions please feel free to contact me.

Best regards,

Kayla M. Acosta
