Good afternoon Mr. Cevallos,

Thank you for assisting me in today's compliance evaluation inspection for your facility. This email/ exit interview serves as an initial notice that your facility is in compliance with the state and federal rules and regulations for a Large Quantity Generator of hazardous waste, Used Oil Transporter, and Used Oil Transfer Facility. There are no corrective actions needed at this time.

Once the final inspection report is approved by the Department, I will send you a copy via email as well as a link to all documents related to the inspection. If you have any questions or concerns please feel free to contact me.

Best regards,

Kayla M. Acosta
