RHWT	04/16/2019	Initial data-entry complete. Waiting for approval to promote out-of-state ID.	SIMMONS_JLS
RHWT	05/02/2019	Email sent to Joanne Chocola, The situation is this: we received an 8700-12FL Notification form for ILR000200097 New Lenox, and a Certificate of Liability form for ILR000189977 Tinley Park. The Tinley Park location is in our data system, and the insurance has now been updated. Are you wanting to also register the New Lenox location or was this an error? If it is indeed Tinley Park that needs a registration renewal then you need to update page 1 of the 8700-12FL Notification form to reflect the Tinley Park EPA ID number and address. Since this is not a signature page you may email the corrected page to me at email below. I have attached both documents and blank forms for your convenience. Let me know if you have any questions or comments. Thanks	HORLICK_S

RUOH	03/20/2019	Received original 8700 form and training manual statement.	ASHWOOD_J
RUOH	03/20/2019	Email sent to Mark Chocola: In reviewing your submittal, we noticed additional information is needed. UO transporters are required to provide an Insurance form for the automobile liability inclusive of pollution liability. However, in the event your policies are separate then we will need you to submit two separate Insurance forms. Please submit the following by Tuesday, February 26, 2019 to continue updating our database (see attached blank forms for your convenience): Combined HWT/UO Certificate of Liability Insurance form for automobile and pollution liability and Registration fee of \$100 made payable to the Florida Department of Environmental Protection via check or money order. NOTE: Transporting used oil without a valid registration is a violation of the law, subject to penalties. As soon as possible, please mail the required form(s) with original (hand signed) signature to: DEP Waste Management Division-HWRS, MS4560 2600 Blair Stone Rd. Tallahassee, FL 32399-2400. Let me know if you have any questions.	ASHWOOD_J
