Hello Merlin/Carrie,

Just wanted to check in regarding the SK Tallahassee permit renewal. I had the due date for this renewal as September 18, 2019, but wanted to confirm with you both if that is correct or not?

Thanks, Jeff

Jeff,

Good morning.

We were able to acquire an additional permitting position. We are transitioning Carrie into taking over the Safety Kleens so start ccing her on correspondence. She worked in our section two years ago before heading up our Brownfields Program. I will continue to work with her during your next renewal (Tallahassee) so there will be a smooth transition.

BTW, if you had not heard, Bryan Baker has left and Michell Smith will be starting as administrator in another week.
