Hi Carrie,

I meant to send this to you much earlier, so my apologies for not doing so. I would like to request an extension for our response to the Department's RAI, dated 10/11/19. The current due date for the response is 11/10/19. I'd like to request an extension until 12/6/19. Please advise if this is agreeable to the Department? Also, please let me know if you have some time to discuss a couple of items this week. If so, just let me know your availability and I will give you a call.

Thanks, Jeff
