RUOH	03/23/2020	<p>Email sent to Michael Costa: In reviewing your submittal, we noticed additional information is needed. The 8700 form and Insurance form does have an original (wet) signature. Also, we have not received the registration fee (see attached). UO transporters are required to provide an Insurance form for the automobile liability inclusive of pollution liability. However, in the event your policies are separate then we will need you to submit two separate Insurance forms. Please submit the following by Monday, April 13, 2020 to continue updating our database (see attached blank forms for your convenience): Revised 8700 form, Revised Combined HWT/UO Certificate of Liability Insurance form for automobile and pollution liability, and Registration fee of \$100 made payable to Florida Department of Environmental Protection via check or money order.</p> <p>NOTE: Transporting used oil without a valid registration is a violation of the law, subject to penalties. As soon as possible, please mail the required form(s) with original (hand signed) signature to: DEP Waste Management Division-HWRS, MS4560 2600 Blair Stone Rd. Tallahassee, FL 32399-2400. Let me know if you have any questions.</p>	ASHWOOD_J
