Subject: [EXTERNAL] Fw: Permit Transfer form

Hello Mike and all,

As we all realized that the permit transfer application was in correctly completed and submitted for permit transfer from "Florida Recycling Solutions, LLC" to "Aqua Clean Environmental Company, Inc." Whereas the facility registered in Florida State, in Sun-Biz and submitted FA documents are not matching.

Therefore, facility must request for withdrawal of current permit transfer application, all related forms and re-submit with new permit transfer application, all other related forms, and transfer fee \$50.00, so that the Department can re-start the review process.

Please make a that the current fee of \$50.00, will be refunded.

If you have any questions, please let me know.

Sincerely,

Bheem R. Kothur, P.E., DEE
