SUBJECT: Department of Environmental Protection v. Univar Solutions USA, Inc.
OGC File No.: #21-0683
EPA ID No. FLD067230771 & Permit No.: 30058-005-HH

Mr. Holcomb:

The State of Florida Department of Environmental Protection (“Department”) finds that Univar Solutions USA, Inc. (“Respondent”) failed to transfer the Corrective Action Permit, resulting in violation of 62-730.290(6), F.A.C. Before sending this letter, the Department requested that the Respondent undertake certain actions to resolve the violation. These actions have since been completed, and, as set forth in the May 26, 2021, Notice of Permit Modification, the Department has determined that Respondent has successfully transferred the Corrective Action Permit. However, due to the nature of the violation, the Respondent remains subject to civil penalties. The Respondent is also responsible for costs incurred by the Department during the investigation of this matter.

The Department’s Offer

Based on the violations described above, Department is seeking \$9,210.00 in civil penalties and \$1,000.00 for costs and expenses the Department has incurred in investigating this matter, which amounts to a total of \$10,210.00. The civil penalties are apportioned as follows: \$9,210.00 for the violation of Rule 62-730.290(6), F.A.C.

Respondent’s Acceptance

If you wish to accept this offer and fully resolve the enforcement matter pending against the Respondent, please sign this letter and return it to the Department at Michael.Lynch@FloridaDEP.gov or by mail at the Florida Department of Environmental Protection, Southwest District Office, 13051 Telecom Parkway, Suite 101, Temple Terrace, Florida 33637 by **July 31, 2021**. The Department will then countersign it and file it with a designated clerk of the Department. Once the document is filed with the designated clerk, it will constitute a final order of the Department pursuant to Section 120.52(7), F.S. and will be effective unless a request for an administrative hearing is filed

by a third party in accordance with Chapter 120, F.S. and the attached Notice of Rights.

By accepting this offer you, Stefanie Anna:

- (1) certify that you are authorized and empowered to negotiate, enter into, and accept the terms of this offer in the names and on behalf of Respondent;
- (2) acknowledge and waive Respondent's right to an administrative hearing pursuant to Sections 120.569 and 120.57, F.S., on the terms of this offer, once final;
- (3) acknowledge and waive Respondent's right to an appeal pursuant to Section 120.68, F.S.

The Department acknowledges that the Respondent's acceptance of this offer does not constitute an admission of liability for the violation(s) referenced above.

Respondent's Performance

After signing and returning this document to the Department:

- (1) Respondent shall pay \$10,210.00 by **August 31, 2021**.
- (2) Respondent shall make all payments required by this Order by cashier's check, money order or on-line payment. Cashier's check or money order shall be made payable to the "Department of Environmental Protection" and shall include both the OGC number, OGC# 21-0683, assigned to this Order and the notation "Water Quality Assurance Trust Fund." Online payments by e-check can be made by going to the DEP Business Portal at: <http://www.fldepportal.com/go/pay/>. It will take a number of days after this order is final and effective filed with the Clerk of the Department before ability to make online payment is available.

The Department may enforce the terms of this document, once final, and seek to collect monies owed pursuant to Sections 120.69 and 403.121, F.S.

Until clerked by the Department, this letter is only a settlement offer and not a final agency action. Consequently, neither the Respondent nor any other party may request an administrative hearing to contest this letter pursuant to Chapter 120, F.S. Once this letter is clerked and becomes a final order of the Department, as explained above, the attached Notice of Rights will apply to parties, other than the Respondent, whose interests will be substantially affected.

Electronic signatures or other versions of the parties' signatures, such as .pdf or facsimile, shall be valid and have the same force and effect as originals. No modifications of the terms of this Order will be effective until reduced to writing, executed by both Respondent and the Department, and filed with the clerk of the Department.

Please be aware that if the Respondent decline to respond to the Department's offer, the Department will assume that the Respondent are not interested in resolving the matter and will proceed accordingly.

- b) The name, address, and telephone number of each petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding;
- c) An explanation of how the petitioner's substantial interests will be affected by the Order;
- d) A statement of when and how the petitioner received notice of the Order;
- e) Either a statement of all material facts disputed by the petitioner or a statement that the petitioner does not dispute any material facts;
- f) A statement of the specific facts the petitioner contends warrant reversal or modification of the Order;
- g) A statement of the rules or statutes the petitioner contends require reversal or modification of the Order; and
- h) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the Department to take with respect to the Order.

The petition must be filed (received) at the Department's Office of General Counsel, 3900 Commonwealth Boulevard, MS# 35, Tallahassee, Florida 32399-3000 within 21 days of receipt of this notice. Mediation under Section 120.573, Florida Statutes, is not available in this proceeding.
