Re: Payment for Taft Street Sewage Spill Clean-up

Ms. Dalton:

The City of Hollywood appreciates the quick response and efforts by Everglades Waste Removal Services, LCC in the Taft Street sewage spill clean-up.

As I expressed to you in conversation, we understand that Everglades provided numerous resources to help mitigate the situation in the City of Hollywood in a timely manner and we require time to evaluate and reconcile all rates and charges.

While we are working together to address questions, concerns and/or justification of the rates and charges, the City of Hollywood is issuing a \$50,000.00 progress payment, enclosed check #2054475, to Everglades Waste Removal Services, LCC as a good-faith demonstration of our intention to pay the amounts agreed upon by both parties.

This \$50,000.00 progress payment is in no way intended to be an agreement on the rates or charges established in the invoices received to date and will be deducted from mutually agreed upon final balance owed by the City of Hollywood.

Once again, we appreciate Everglades Waste Removal Service efforts in our sewage spill clean-up and look forward to addressing any issues with regards to rates and charges as quickly as possible in order to make final payment.

If you have any questions please feel free to contact me directly.

Sincerely,

Joel Wasserman, Director

LIQUID WASTE TRANSPORTERS
ANNUAL OPERATING PERMIT

DESCRIPTION OF FACILITY/EQUIPMENT

This document, issued under the provisions of Chapter 24, Miami-Dade County Code (Dade County Environmental Protection Ordinance), shall be valid from April 01, 2021 through December 31, 2021. The above named permittee, is hereby authorized to operate as a Liquid Waste Transportation business with the equipment bearing the 12 identifying sticker(s) included with this permit. The above referenced facility location represents the vehicle storage location of said business as reported by the permittee.

This facility is subject to conditions listed below and in the following pages (if any) of this permit.

SPECIFIC CONDITIONS

1. This permit only authorizes the transportation of non-hazardous liquid wastes limited to septage, stormwater, portable toilet, and grease interceptor waste, unless otherwise approved by the Department.
2. The Permittee shall maintain and report to the Department a current inventory of all vehicles including, but not limited to, tractors, trailers and single unit vehicles (e.g., vac-trucks, etc.) used by the Permittee for the purpose of liquid waste transportation in Miami-Dade County. All vehicles, except for trailers, shall bear a current Liquid Waste Transporters decal issued by the Department which shall be placed in a visible location on the passenger side of the vehicle's windshield. Decals shall remain intact and visible at all times.
3. All liquid waste transportation activities that originate or end in Miami-Dade County shall be documented and reported monthly using Department approved forms. Said monthly reports shall be submitted on or before the 20th day of each month and include all transportation activities that were completed as of the last day of the preceding calendar month. The submittal of a monthly report is also required for months where transportation activities were not performed by the Permittee. The reports shall also include payment of permit fees (made payable to Miami-Dade County) that correspond to the total quantity and type of liquid waste transported, in accordance with the latest approved fee schedule. The completed monthly reports, inclusive of the applicable permit fee payment, shall be submitted to: Department of Regulatory and Economic Resources, Attn: DERM Liquid Waste Transporters Program, P.O. Box 12378, Miami, FL 33101-2378.
4. Complete monthly reports shall consist of providing the source name and address, date of collection, quantity of waste, disposal destination, payment of associated fees, and all other applicable information required by the reporting forms.
5. All liquid waste transportation activities that originate or end in Miami-Dade County shall be manifested using the latest Department approved "eManifest" form. The latest version of the eManifest form may be retrieved from <https://www.miamidade.gov/permits/transporter-liquid-waste.asp>

Office of Workers' Compensation Programs

(Employer)

Cliff Berry, Incorporated
P.O. Box 13079
Fort Lauderdale, FL 33316

This employer is insured to provide compensation benefits (including medical and hospital care) to its employees, or monetary benefits to eligible survivors, in case of work-connected injury, occupational illness or death, in accordance with the provisions of the above law and rules of the Office of Workers' Compensation Programs.

- ☐ NOTIFY YOUR EMPLOYER IMMEDIATELY. If possible, complete Form LS-201, Notice of Injury, available from your employer. You should give notice of injury to the following person(s):

**WHAT
TO DO
WHEN
INJURED
AT WORK**

- ☐ MEDICAL TREATMENT. Request authority (Form LS-1) from your employer for treatment by the physician you choose. You may not select a physician that is not authorized by the Office of Workers' Compensation Programs to provide medical care under the Act. Your employer has a list of physicians who are not authorized. In an emergency or if unable to contact your employer, go to the nearest hospital or physician, but be sure to let your employer know as soon as possible.
- ☐ DISABILITY. If you are disabled more than 3 days, contact your employer or the insurance company indicated below for payment of compensation, payable 14 days after your employer has knowledge of injury.
- ☐ IMPORTANT! The law requires you to give written notice of injury (Form LS-201) to your employer and to the Office of Workers' Compensation Programs within 30 days. Additional time may be allowed for certain hearing loss and occupational disease claims. The address of the Office of Workers' Compensation Programs District Office for this area is:

By extending this certificate or the certificate number to a selling dealer to make eligible purchases of taxable property or services exempt from sales tax and discretionary sales surtax, the person or business named above certifies that the taxable property or services purchased or rented will be resold or re-rented for one or more of the following purposes:

- Resale as tangible personal property.
- Re-rental as tangible personal property.
- Resale of services.
- Re-rental as commercial real property.
- Incorporation into tangible personal property being repaired.
- Re-rental as transient rental property.
- Incorporation as a material, ingredient, or component part of tangible personal property that is being produced for sale by manufacturing, compounding, or processing.

Your Florida Annual Resale Certificate for Sales Tax (Annual Resale Certificate) allows you or your representatives to buy or rent property or services tax exempt when the property or service is resold or re-rented. You may not use your Annual Resale Certificate to make tax-exempt purchases or rentals of property or services that will be used by your business or for personal purposes. Florida law provides for criminal and civil penalties for fraudulent use of an Annual Resale Certificate.

As a seller, you must document each tax-exempt sale for resale using one of three methods. You can use a different method each time you make a tax-exempt sale for resale.

1. Obtain a copy (paper or electronic) of your customer's current Annual Resale Certificate.
2. For each sale, obtain a transaction authorization number using your customer's Annual Resale Certificate number.
3. Each calendar year, obtain annual vendor authorization numbers for your regular customers using their Annual Resale Certificate numbers.

LIQUID WASTE TRANSPORTERS
ANNUAL OPERATING PERMIT

DESCRIPTION OF FACILITY/EQUIPMENT

This document, issued under Miami-Dade County Code (Dade County April 01, 2021 through December 31, 2021. The above named permittee, is a Liquid Waste Transportation business with the equipment bearing the permit. The above referenced facility location represents the location of said business as reported by the permittee.

This facility is subject to conditions listed below and in the following pages (if any) of this permit.

SPECIFIC CONDITIONS

1. This permit only authorizes the transportation of liquid waste limited to waste oil, oily wastewater, and non-hazardous industrial waste, unless otherwise approved by the Department. Radiator fluid shall not be transported under this permit.
2. The Permittee shall maintain and report to the Department a current inventory of all vehicles including, but not limited to, tractors, trailers and single unit vehicles (e.g., vac-trucks, etc.) used by the Permittee for the purpose of liquid waste transportation in Miami-Dade County. All vehicles, except for trailers, shall bear a current Liquid Waste Transporters decal issued by the Department which shall be placed in a visible location on the passenger side of the vehicle's windshield. Decals shall remain intact and visible at all times.
3. All liquid waste transportation activities that originate or end in Miami-Dade County shall be documented and reported monthly using Department approved forms. Said monthly reports shall be submitted on or before the 20th day of each month and include all transportation activities that were completed as of the last day of the preceding calendar month. The submittal of a monthly report is also required for months where transportation activities were not performed by the Permittee. The reports shall also include payment of permit fees (made payable to Miami-Dade County) that correspond to the total quantity and type of liquid waste transported, in accordance with the latest approved fee schedule. The completed monthly reports, inclusive of the applicable permit fee payment, shall be submitted to: Department of Regulatory and Economic Resources, Attn: DERM Liquid Waste Transporters Program, P.O. Box 12378, Miami, FL 33101-2378.
4. Complete monthly reports shall consist of providing the source name and address, date of collection, quantity of waste, disposal destination, payment of associated fees, and all other applicable information required by the reporting forms.
5. All waste oil and waste water must be sold or disposed of in accordance with all local, state and federal regulations.
6. All liquid waste transportation equipment shall be maintained in good working order at all times and not leak.
