Hi Loren and all,  
Thanks for mailing the checks.

However, we need the permit applications to process the checks and Tracking Permit request in PA system.

Please let us know, when the applications are coming in the mail so that we can track the deliver time.

FYI,  
Your facility permit expires on April 16, 2022.

Bheem

Hi Jennifer,

We received these 2 checks with no information. Any thoughts on how they should be coded?

Thanks  
Debra
