Hi Michael,

Please see attached, which confirms Bill Connors signing authority. Please let me know if this is acceptable. We can provide a current version if needed.

Hi Timmery,

The consent order was addressed to Mr. Eric Gerstenberg. He is designated as a director of the corporation. According to the Florida Department of State, Division of Corporations, Mr. William Connors is not designated as an officer of the corporation. Consent orders are required to be signed by an officer of the corporation.

Alternatively, a certification of authority will need to be provided for Mr. Connors. Attached is guidance on providing signatory authority. Examples of certification of authority start on page four of the document.

Please let me know if you have any questions.

Thank you,
Michael
