Good Morning All,

This email serves as an exit interview for the Routine Compliance Evaluation Inspection conducted at your facility Raider Environmental Services of Florida Inc (FLR000143891) on 2/22/2023, located at 4103 NW 132nd St, Opa Locka, FL 33054. First, I would like to thank all of you for accompanying us during the inspection.

As discussed during our visit, I am reaching out to request some supporting documentation necessary to complete the inspection report. Please provide the following by **3/2/2023**:

1. Any manifest for hazardous waste transport for 2022 and 2023. During the inspection you indicated that the facility rarely transport hazardous waste, so recent manifests you find would suffice.
2. The Facility's Closure plan as per **40 CFR 279.54(h)** and Rule **62-710.800(5)**
3. The Facility's Written analysis Plan per **40 CFR 279.55**

In the meantime if you have any questions or concerns, do not hesitate to contact me via email, or the phone number below.

Regards,

**Johanna Polycart**

**Environmental Specialist III**
