The Florida Department of Environmental Protection has reviewed your submittal for a hazardous waste DEP/EPA Identification Number or status/information change.

Based on the information received, you have been issued the following number or reports for **Safety-Kleen Systems Inc** located at **4426 Entrepot Blvd, Tallahassee, FL 32310-8740** 

DEP/EPA Identification Number: FLD982133159

Your facility status is the following: Large Quantity Generator (LQG), Operating Commercial TSD.

Florida Administrative Code 62-730 requires all persons who generate, transport, recycle, store, or dispose of hazardous waste to notify the department of their hazardous waste activities. You are required to renotify on form 8700-12FL when there are changes in your operations which would affect your status, activity or contact information. Additional hazardous waste information including the 8700-12FL form can be found at:

https://floridadep.gov/waste/permitting-compliance-assistance/content/hazardous-waste-management-main-page.

Please note that pending program registrations, certifications, or permits will be sent to you separately. **To review the details of your status**, visit: <u>https://fldeploc.dep.state.fl.us/www\_RCRA/Reports/handler\_results.asp?epaid=FLD982133159</u>.

For further assistance, please contact me at (850) 245-8707 or email me at <u>Jeff.Gregg@dep.state.fl.us</u>.

Sincerely,

Jeff Gregg Environmental Manager Waste Compliance Assistance Program
