RUOH	12/05/2022	Email sent to Darren Poole: In reviewing your submittal, we noticed additional information is needed. The 8700 form submitted is outdated (see attached). As stated in Section 16 comments, your vehicles are garaged at your operation location in Jacksonville. This would require you to get an Florida EPA ID. UO transporters are required to provide an Insurance form for the automobile liability inclusive of pollution liability. However, in the event your policies are separate then we will need you to submit two separate Insurance forms. Please submit the following by Monday, December 27, 2022 to continue processing your UO registration (see attached blank fillable form for your convenience): Revised 8700 form. NOTE: Transporting used oil without a valid registration is a violation of the law, subject to penalties. As soon as possible, please mail the required form(s) with original signature to: DEP Waste Management Division-HWRS, MS4560 2600 Blair Stone Rd. Tallahassee, FL 32399-2400. Let me know if you have any questions.	ASHWOOD_J
