Subject: Exit Interview for Pantropic Power Inc (FLD982091787)
Date: Friday, May 26, 2023 10:04:00 AM

Good Afternoon Mr. Alvarado,

This email serves as a follow up to the hazardous waste compliance evaluation inspection conducted on May 24, 2023 by the Florida Department of Environmental Protection (FDEP). We appreciate your team for taking the time to conduct the walkthrough of Pantropic Power Inc., located at 8205 NW 58th St., Doral, FL 33166. As discussed during the inspection with facility representatives, Pantropic Power is required to submit the following documentation/information to the Department:

1. Please provide the process knowledge of service trucks determining that the used oil being transported is non-hazardous. At the time of the inspection facility had tests for the used oil being picked up from their facility done by their transporter, but did not have tests done for the used oil the facility is collecting and transporting back.
2. Please submit the latest manifest for the pickup of the waste that was there on-site at the time of the inspection. Along with the manifest, please submit the waste determination for the red 55-gallon trash that had oily water and rags inside of it. This was the container moved into the Central Accumulation Area for Used Oil and Used Oil Filters.
3. At the time of the inspection there were no observed labels of the start accumulation dates on the 275 gallon containers in the caged area. Please provide photo documentation of labeled on the containers with the start accumulation date, contents of hazardous, and EPA Waste Codes or Characteristics.

Please submit the requested information by **06/09/2023**. If you have any additional questions or concerns, feel free to contact me via email or at the phone below.

Best regards,
