		Email sent to Erik Otto: In reviewing your submittal, we noticed additional information is needed. The Insurance form submitted does not exactly match the Insurance form on file (see attached). UO transporters are required to provide an Insurance form for the automobile liability inclusive of pollution liability. However, in the event your policies are separate then we will need you to submit two separate Insurance forms. Please submit the following by Thursday, June 29, 2023 to continue processing your UO renewal registration (see attached blank forms for your convenience): Updated Combined HWT/UO Certificate of Liability Insurance form for automobile and pollution liability and Registration fee of \$100 made payable to the Florida Department of Environmental Protection via check or money order. NOTE: Transporting used oil without a valid registration is a violation of the law, subject to penalties. As soon as possible, please mail the required form(s) with original signature to: DEP Waste Management Division-HWRS, MS4560 2600 Blair Stone Rd. Tallahassee, FL 32399-2400. Let me know if you have any questions.
