Dear Mr. Soler:

A hazardous waste compliance inspection was conducted at your facility on June 21, 2023. During this inspection, potential non-compliance was noted. The purpose of this letter is to offer compliance assistance as a means of resolving these matters.

Specifically, potential non-compliance with the requirements of Chapter 403, Florida Statutes, Chapter 62-710, Florida Administrative Code and Title 40 Code of Federal Regulations were observed. The inspection report with a full account of Department observations and recommendations can be found at the following link:

We request you review the items of concern noted and respond in writing within **15 days** of receipt of this Compliance Assistance Offer. Your written response should include one of the following:

1. Describe what has been done to resolve the non-compliance issue or provide a schedule describing how/when the issue will be addressed; or
2. Provide the requested information, or information that mitigates the concerns or demonstrates them to be invalid.

It is the Department's desire that you are able adequately address the aforementioned issues so that this matter can be closed. Your failure to respond promptly may result in the initiation of formal enforcement proceedings.

Please address your response and any questions to Mollie Enck of the Southwest District Office at (813) 470-5900 or via e-mail at mollie.enck@floridadep.gov. We look forward to your cooperation with this matter.
