**OGC File No. 22-3041**  
**EPA/DEP ID: FLR000258228**

Dear Mr. Amrouch:

The State of Florida Department of Environmental Protection (“Department”) finds that Super-Pufft Snacks USA, Inc. (“Respondent”) did not complete hazardous waste determinations on four (4) waste streams, did not keep one (1) hazardous waste satellite container closed, did not properly label one (1) hazardous waste satellite container, did not maintain records of weekly inspections of the hazardous waste accumulation areas, did not properly label sixteen (16) hazardous waste accumulation containers, did not properly mark sixteen (16) hazardous waste accumulation containers with the accumulation start date, did not maintain the proper emergency equipment in the hazardous waste accumulation areas, did not maintain adequate aisle space between containers of hazardous waste, did not attempt to make arrangements with the local emergency authorities, did not post the required emergency information next to telephones or in areas involved in generation and accumulation of hazardous waste, did not train employees so that they were thoroughly familiar with proper waste handling and emergency procedures, was operating as a Small Quantity Generator of hazardous waste but had not notified as such and received an EPA identification number, was improperly disposing of hazardous waste wipes used to clean the printer spray heads, and did not provide adequate secondary containment for one (1) single-walled tank of used oil. This is in violation of the rules and statutes cited in the attached Warning Letter (WL22-298). Before sending this letter, the Department requested that the Respondent undertake certain actions to resolve the violations. These actions have since been completed. However, due to the nature of the violations, the Respondent remains subject to civil penalties. The Respondent is also responsible for costs incurred by the Department during the investigation of this matter.

### **The Department's Offer**

Based on the violations described above, the Department is seeking \$24,080.00 in civil penalties and \$500.00 for costs and expenses the Department has incurred in investigating this matter, which amounts to a total of \$24,580.00. The civil penalty in this matter includes three violations of \$2,000.00 or more.

### **Respondent's Acceptance**

If you wish to accept this offer and fully resolve the enforcement matter pending against the Respondent, please sign this letter and return it to the Department at 8800 Baymeadows Way West, Suite 100, Jacksonville, Florida, 32256, by August 11, 2023. The Department will then countersign it and file it with a designated clerk of the Department.

Once the document is filed with the designated clerk, it will constitute a final order of the Department pursuant to Section 120.52(7), Florida Statutes (F.S.), and will be effective unless a request for an administrative hearing is filed by a third party in accordance with Chapter 120, F.S., and the attached Notice of Rights.

By accepting this offer you, Mr. Amrouch:

- (1) certify that you are authorized and empowered to negotiate, enter into, and accept the terms of this offer in the name and on behalf of Respondent;
- (2) acknowledge and waive Respondent's right to an administrative hearing pursuant to Sections 120.569 and 120.57, F.S., on the terms of this offer, once final; and
- (3) acknowledge and waive Respondent's right to an appeal pursuant to Section 120.68, F.S.

The Department acknowledges that the Respondent's acceptance of this offer does not constitute an admission of liability for the violation(s) referenced above.

### **Respondent's Performance**

After signing and returning this document to the Department:

- (1) Respondent must pay \$24,580.00, in full, within 60 days from the execution date of this Order.
- (2) Respondent shall make all payments required by this Order by cashier's check, money order or on-line payment. Cashier's check or money order shall be made payable to the "Department of Environmental Protection" and shall include both the OGC number assigned to this Order and the notation "Water Quality Assurance Trust Fund." Payment shall be sent to the Department of Environmental Protection, 8800 Baymeadows Way West, Suite 100, Jacksonville, Florida, 32256. Online payments by e-check can be made by going to the DEP Business Portal at: <http://www.fldepportal.com/go/pay/>. It will take a number of days after this order is final and effective, by filing with the Clerk of the Department, before ability to make online payment is available.

The Department may enforce the terms of this document, once final, and seek to collect monies owed pursuant to Sections 120.69 and 403.121, F.S.

Until clerked by the Department, this letter is only a settlement offer and not a final agency action. Consequently, neither the Respondent nor any other party may request an administrative hearing to contest this letter pursuant to Chapter 120, F.S. Once this letter is clerked and

becomes a final order of the Department, as explained above, the attached Notice of Rights will apply to parties, other than the Respondent, whose interests will be substantially affected.

Electronic signatures or other versions of the parties' signatures, such as .pdf or facsimile, shall be valid and have the same force and effect as originals. No modifications of the terms of this Order will be effective until reduced to writing, executed by both Respondent and the Department, and filed with the clerk of the Department.

Please be aware that if the Respondent declines to respond to the Department's offer, the Department will assume that the Respondent is not interested in resolving the matter and will proceed accordingly.

If you have any questions, contact Bonnie Bradshaw at (904) 256-1638, or via email at [Bonnie.Bradshaw@FloridaDEP.gov](mailto:Bonnie.Bradshaw@FloridaDEP.gov).

Sincerely,

---

## NOTICE OF RIGHTS

Persons who are not parties to this Order, but whose substantial interests are affected by it, have a right to petition for an administrative hearing under Sections 120.569 and 120.57, Florida Statutes. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition concerning this Order means that the Department's final action may be different from the position it has taken in the Order.

The petition for administrative hearing must contain all of the following information:

- a) The OGC Number assigned to this Order;
- b) The name, address, and telephone number of each petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding;
- c) An explanation of how the petitioner's substantial interests will be affected by the Order;
- d) A statement of when and how the petitioner received notice of the Order;
- e) Either a statement of all material facts disputed by the petitioner or a statement that the petitioner does not dispute any material facts;
- f) A statement of the specific facts the petitioner contends warrant reversal or modification of the Order;
- g) A statement of the rules or statutes the petitioner contends require reversal or modification of the Order; and
- h) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the Department to take with respect to the Order.

The petition must be filed (received) at the Department's Office of General Counsel, 3900 Commonwealth Boulevard, MS# 35, Tallahassee, Florida 32399-3000 within 21 days of receipt of this notice. A copy of the petition must also be mailed at the time of filing to the District Office at the address indicated above. Failure to file a petition within the 21-day period constitutes a person's waiver of the right to request an administrative hearing and to participate as a party to this proceeding under Sections 120.569 and 120.57, Florida Statutes. Mediation under Section 120.573, Florida Statutes, is not available in this proceeding.
