Re: Florida Hazardous Waste Transporter Approval

Dear Chris Schams:

Your Florida Hazardous Waste Transporter Approval Certificate is enclosed. The terms and conditions of approval are specified in Sections 62-730.170 and 62-730.171 of Chapter 62-730, Florida Administrative Code, <https://www.flrules.org/gateway/ChapterHome.asp?Chapter=62-730>. Please note the following.

1. You must demonstrate proof of liability coverage on an annual basis, even if your insurance policy is issued on a multi-year basis. If no changes in status or insurance coverage have occurred, you can meet this requirement by submitting a certificate of liability coverage form.
2. A copy of your insurance policy, together with any endorsements, must be maintained at your principal place of business.
3. Your insurer can not terminate your coverage until 30 days after filing written notice with DEP, by Certified mail, that your policy has expired or has been canceled.
4. Any changes to the information specified on your approval certificate will render it null and void. It is your responsibility to advise DEP of any changes in liability coverage or status.
5. A copy of the Department approval shall be carried in each vehicle transporting hazardous waste for the transportation company.
6. RENEWAL DATE: If you are also a registered used oil handler, you must submit the 8700-12FL – Florida Notification of Regulation Waste Activity [Form 62-730.900(1)(b)] and evidence of casualty/liability insurance by **March 1** of each year, with your annual used oil registration. If you are not a registered used oil handler, you must submit these documents by **September 1** of each year.

If you are currently operating an authorized transfer facility, you must maintain records of incoming and outgoing hazardous waste shipments. These records must include generator names and manifest numbers, and, unless otherwise approved by the Department, must be maintained at the transfer facility in accordance with Rule 62-730.171, 7(6), F.A.C.
