Notification of Change in Control

Janet,

As instructed, this letter is intended to notify the Florida Department of Environmental Protection of a recent change in control of Noble Oil Services, Inc. On March 1, 2024, Safety Kleen Systems, Inc. acquired 100% of the outstanding stock of Noble Oil Services. There was no change in the company name, address, USDOT number, EPA ID#, or insurance as a result of this change in control. If you have any questions, please advise.

Sincerely,

Noble Oil Services, Inc.
