Vacuum Thermal Desorption System Performance Demonstration Test Report

Dear Ms. Crosby-Vega and Mr. Buselli:

In reference to the EPA Approval to Perform Demonstration Testing to Process PCB Waste dated June 15, 2023, enclosed please find the Perma-Fix of Florida (PFF) Vacuum Thermal Desorption System (VTDS) Demonstration Test Report. Testing was fully completed March 26 – 30, 2024 with EPA personnel in attendance.

Please contact Mr. Richard Devin at 865-376-8706 or email rdevin@perma-fix.com with any questions or additional information needed.

Under civil and criminal penalties of law for the making or submission of false or fraudulent statements or representations ([18 U.S.C. 1001](#) and [15 U.S.C. 2615](#)), I certify that the information contained in or accompanying this document is true, accurate, and complete. As to the identified section(s) of this document for which I cannot personally verify truth and accuracy, I certify as the company official having supervisory responsibility for the persons who, acting under my direct instructions, made the verification that this information is true, accurate, and complete.

Sincerely,

Mr. Randy Self
