2. Describe what steps have been taken to prevent, to the extent practicable, a recurrence of the non-compliance.
3. Provide the requested information, or information that mitigates the concerns or demonstrates them to be invalid, or

4. Arrange for the case manager to visit your facility to discuss the item(s) of concern.

It is the Department's desire that you are able adequately address the aforementioned issues so that this matter can be closed. Your failure to respond promptly may result in the initiation of formal enforcement proceedings.
