Hi Steve,

You will need to complete a 8700-12FL with the ownership change. Here is a link to the form:

<https://floridadep.gov/waste/permitting-compliance-assistance/forms/8700-12fl-florida-notification-regulated-waste-activity>

Bradley will be able to tell you if any permit changes will need to be made.

Thanks,
Michael

Hi Michael, Happy New Year !

I have a questions I need some guidance on please.

It looks like we are going to have a new principle ownership change coming in February. Mr. Gillespie is selling the controlling shares in the company. There's not going be any change in Operations or permitting of any of the facilities at this time.

The questions are. 1. Who should I contact at FLDEP to notify of the ownership change ? 2. Is there any special forms I need to Complete ?

I appreciate your guidance.

Have a great day,
Steve
