Subject: Exit Interview - Clean Fuels of Florida Inc (FLR000263525)
Date: Monday, February 3, 2025 1:53:00 PM

Good Afternoon,

This email serves as a follow up to the hazardous waste compliance evaluation inspection conducted on January 28, 2025 (01/28/2025) by the Florida Department of Environmental Protection (FDEP). We appreciate your team for taking the time to conduct the walkthrough of Clean Fuels of Florida Inc (FLR000263525) located at 1862 NW 21st St Ste B, Pompano Beach, FL 33069.

As discussed during the inspection with facility representative on the phone at site, the following is being requested by the Department:

- Provide a general timeline of which Drew Fuels was managing Clean Fuels, purchasing of trucks, and closure of Clean Fuels.
- How many trucks were purchased from Clean Fuels? What are their sizes and Quantities? Are they still operating?
- Photo of the trucks DOT identification numbers and safety equipment.
- At least three years or from the time of the facility operating under the name Clean Fuels records for the following Used Oil, Used Oil Filters, and Hazardous Waste transportation acceptance and disposal records; training records; and documentation of halogen screening.
- When did Clean Fuels begin operating at the location?
- What is the Square footage?
- Are there any sumps on-site? Is the facility connected directly to public water and sewer?

As discussed on the phone, an inspection report will be made for Clean Fuels and then The Department will begin the next steps for closing the facility. Further actions maybe need for the closure of Clean Fuels EPA ID at the listed location.

Please submit the requested information by **02/10/2025**. If you have any additional questions or concerns, feel free to contact me via email or at the phone below.

Best regards,

Jade Knight
