Re: FLD101828689 – Howco Environmental Services (Astor)

Dear Mr. Hagan:

I reviewed the documentation submitted to demonstrate financial assurance for the above referenced facility and find it is in order. Bank of America, N.A. letter of credit number 68013974, effective September 8, 2006, with amendment dated April 11, 2007, in the amount of \$24,500, adequately covers the Department approved closing cost estimate. In addition, Salem Trust Company standby trust fund agreement, entered into as of July 31, 2006, is acceptable. Therefore, Howco Environmental Services (Astor) facility is in compliance with the financial assurance requirements of 40 CFR Part 264, Subpart H as adopted by reference in Rule 62-701.630, Florida Administrative Code, at this time.

If you have any questions, please contact me at (850) 245-8745.

Sincerely,

Frank Hornbrook
