RUOH	03/06/2025	Received 8700 form, registraton fee, training manual statement, and Annual Report. Insurance form on file is current until 4/1/2025.	ASHWOOD_J
RUOH	03/06/2025	Email sent to Adam Estes: In reviewing your submittal, we noticed additional information is needed. The 8700 forms submitted does not have original "wet" signatures (see attached). Also, please check the Annual Reports for the end inventory for 2023 which will be your beginning inventory for 2024. As mentioned, your Insurance form on file will expire on 4/1/2025. UO transporters are required to provide an Insurance form for the automobile liability inclusive of pollution liability. However, in the event your policies are separate then we will need you to submit two separate Insurance forms. Please submit the following by Thursday, March 27, 2025 to continue processing your UO renewal registrations (see attached blank forms for your convenience): Revised Page 7 of 8700 form only for each facility and Revised 2024 Annual Report, if applicable. NOTE: Transporting used oil without a valid registration is a violation of the law, subject to penalties. As soon as possible, please mail the required form(s) with original signature to: DEP Waste Management Division-PCAP, MS4560 2600 Blair Stone Rd. Tallahassee, FL 32399-2400. Let me know if you have any questions.	ASHWOOD_J
