Good Afternoon,

Thank you for having us at your facility and for your assistance throughout the inspection. At the time of the inspection, potential violations were noted. Please provide the required corrective actions and/or deliverables for the Department to determine compliance. The remaining potential violations and corrective actions are as follows:

- Labeling the pin oil pan with the words "Used Oil" in the mechanic area.
- Photographic documentation of all Registration/ Permits posted.
- Clarification on who provides water and sewer services and the building size (area).

If you have any comments/ questions, please don't hesitate to contact me.

Best Regards,
