SUBJ: EPA Enforcement Lead at various Florida Facilities

Dear Mr. Kastury:

The 1996 Hazardous Waste Civil Enforcement Response Policy (ERP) sets forth guidelines for maintaining a nationally consistent approach to RCRA enforcement. The ERP includes target response times for completing formal enforcement actions in response to RCRA violations. One of EPA Region 4's oversight roles is to enforce the time frames in the ERP and to assume the enforcement lead for those cases which are not resolved within the enforcement time frame.

The following facility has exceeded the ERP time frame (300 days) for receiving formal enforcement. In accordance with the Memorandum of Agreement between EPA and FDEP, EPA will pursue the enforcement lead this facility if no enforcement action has been fully executed by May 17, 2002:

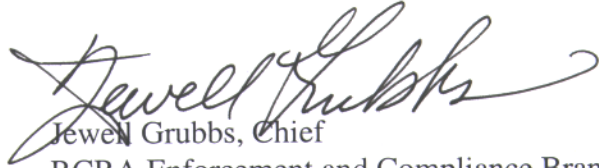

Howco Environmental	FL0 001 000 611	SD
---------------------	-----------------	----

The following facilities will exceed the ERP time frame (300 days) for receiving formal enforcement on the dates listed. In accordance with the Memorandum of Agreement between EPA and FDEP, EPA will pursue the enforcement lead at each of the following facilities if no enforcement action has been fully executed by the date listed:

Macho Products	FLR 000 078 931	05/22/02	CD
Papsco	FLR 000 046 748	05/27/02	CD

A copy of this letter has been faxed to you. If you have any questions, please call Jeff Pallas, of my staff, at (404) 562-8569.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Jewell Grubbs", with a stylized flourish at the end.

Jewell Grubbs, Chief  
RCRA Enforcement and Compliance Branch  
Waste Management Division
