Reference material

Dear Mr. Simmons:

Enclosed are copies of Florida Administrative Code (FAC), Chapter 62-740, Petroleum Contact Water, and 62-762, Aboveground storage tank systems. I have highlighted the portions of 62-762 which pertain to discharge notification and reporting. Also enclosed is a current copy of FAC 62-710, Used Oil Management which includes the definition for oily wastes. A list of state licensed contractors which can provide tank integrity testing is included.

Please call if you need any additional information.

Sincerely,

Lu Burson
