SUBJECT: Department of Environmental Protection v. Georgia-Pacific Consumer Operations, LLC
OGC File No. 20-1101
Facility Name: Georgia-Pacific (Palatka Pulp & Paper)
Facility ID: FL0002763

Dear Mr. Griffith:

The State of Florida Department of Environmental Protection ("Department") finds that Georgia-Pacific Consumer Operations LLC ("Respondent"), allowed an unauthorized/unpermitted discharge of approximately 7,500,000 gallons of treated industrial wastewater to Rice Creek due to a failure of the facility's effluent pipeline. The incident began on June 10, 2020 and ended on June 11, 2020. The failure of the pipeline was not determined to be caused by a lack of maintenance by the facility.

The Department concludes that surface water quality violations for Total Ammonia Nitrogen, Specific Conductance, Turbidity, and Color have occurred due to the absence of treatment afforded by the rise of plume that should have occurred if the effluent had discharged by diffuser at the authorized point of discharge in the St. Johns River. The facility has mixing zones for Total Ammonia Nitrogen, Specific Conductance, Turbidity, and Color in accordance with Rule 62-4.244, F.A.C.

Georgia-Pacific has completed all corrective actions to bring the pipeline back into operation but did begin repairs to the effluent pipeline located in herbaceous wetlands without obtaining an Environmental Resource Permit authorization from the Department. Temporary impacts to the wetlands are expected to be addressed by natural recruitment.

Although there are no further actions required to correct the violation, the Respondent remains subject to civil penalties as a result of the violation. The Respondent is also responsible for costs incurred by the Department during the investigation of this matter.

The Department's Offer

Based on the violations described above, the Department is seeking \$5,000.00 in civil penalties and \$250.00 for costs and expenses the Department has incurred in investigating this matter, which amounts to a total of \$5,250.00. The civil penalties are apportioned as follows: \$5,000.00 for violation of 403.121(3)(b), Florida Statutes.

Respondent's Acceptance

If you wish to accept this offer and fully resolve the enforcement matter pending against the Respondent, please sign this letter and return it to the Department at 8800 Baymeadows Way West, Suite 100, Jacksonville, Florida, 32256, within 15 days of the issuance date of this order. The Department will then countersign it and file it with a designated clerk of the Department. Once the document is filed with the designated clerk, it will constitute a final order of the Department pursuant to Section 120.52(7), Fla. Stat; and will be effective unless a request for an administrative hearing is filed by a third party in accordance with Chapter 120, Fla. Stat; and the attached Notice of Rights.

By accepting this offer you, Michael Griffith:

- (1) certify that you are authorized and empowered to negotiate, enter into, and accept the terms of this offer in the name and on behalf of Respondent;
- (2) acknowledge and waive Respondent's right to an administrative hearing pursuant to Sections 120.569 and 120.57, Fla. Stat., on the terms of this offer, once final;
- (3) acknowledge and waive Respondent's right to an appeal pursuant to Section 120.68, Fla. Stat.; and
- (4) acknowledge that payment of the above amount does not constitute a waiver of the Department's right, if any, to recover emergency response related costs and expenses for this matter.

The Department acknowledges that the Respondent's acceptance of this offer does not constitute an admission of liability for the violation referenced above.

Respondent's Performance

After signing and returning this document to the Department,

- (1) Respondent must pay \$5,250.00 in full within 30 days of the effective date of this order.
- (2) Respondent shall make all payments required by this Order by cashier's check, money order or on-line payment. Cashier's check or money order shall be made payable to the "Department of Environmental Protection" and shall include both the OGC number assigned to this Order and the notation "Water Quality Assurance Trust Fund." Online payments by e-check can be made by going to the DEP Business Portal at: <http://www.fldepportal.com/go/pay/>.

It will take a number of days after this order is final and effective filed with the Clerk of the Department before ability to make online payment is available.

The Department may enforce the terms of this document, once final, and seek to collect monies owed pursuant to Sections 120.69 and 403.121, Fla. Stat.

Until clerked by the Department, this letter is only a settlement offer and not a final agency action. Consequently, neither the Respondent nor any other party may request an administrative hearing to contest this letter pursuant to Chapter 120, Fla. Stat. Once this letter is clerked and becomes a final order of the Department, as explained above, the attached Notice of Rights will apply to parties, other than the Respondent, whose interests will be substantially affected.

Electronic signatures or other versions of the parties' signatures, such as .pdf or facsimile, shall be valid and have the same force and effect as originals. No modifications of the terms of this Order will be effective until reduced to writing, executed by both Respondent and the Department, and filed with the clerk of the Department.

Please be aware that if the Respondent declines to respond to the Department's offer, the Department will assume that the Respondent is not interested in resolving the matter and will proceed accordingly.

If you have any questions, please contact Nick Williams, by phone at (904) 256-1608, or via email at Nick.Williams@FloridaDEP.gov.

Sincerely,

James R. Maher, P.E.

NOTICE OF RIGHTS

Persons who are not parties to this Order, but whose substantial interests are affected by it, have a right to petition for an administrative hearing under Sections 120.569 and 120.57, Fla. Stat. The petition for administrative hearing must contain all of the following information:

- a) The OGC Number assigned to this Order;
- b) The name, address, and telephone number of each petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding;
- c) An explanation of how the petitioner's substantial interests will be affected by the Order;
- d) A statement of when and how the petitioner received notice of the Order;
- e) Either a statement of all material facts disputed by the petitioner or a statement that the petitioner does not dispute any material facts;
- f) A statement of the specific facts the petitioner contends warrant reversal or modification of the Order;
- g) A statement of the rules or statutes the petitioner contends require reversal or modification of the Order; and
- h) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the Department to take with respect to the Order.

The petition must be filed (received) at the Department's Office of General Counsel, 3900 Commonwealth Boulevard, MS# 35, Tallahassee, Florida 32399-3000 within 21 days of receipt of this notice. A copy of the petition must also be mailed at the time of filing to the District Office at the address indicated above. Failure to file a petition within the 21-day period constitutes a person's waiver of the right to request an administrative hearing and to participate as a party to this proceeding under Sections 120.569 and 120.57, Fla. Stat. Mediation under Section 120.573, Fla. Stat., is not available in this proceeding.
