Notes:

(1) The net refuse received numbers will include slight office adjustments based upon Lee County scale receipts. Typically, these are accounted for in the next calendar month. Also, the refuse process numbers can be adjusted based on the pit inventory. These refuse processed adjustments are mutually agreed upon by Lee County and Covanta Lee.

(2) Other non-MSW includes segregated loads of contraband, off-specification or expired consumer products, and other non-MSW materials as described in Permit No. 07010119-006-AV, A.10.1.
