Re: WACS 40778 - CEMEX Construction Materials Florida, LLC WTPF (Brooksville)

Dear Mr. Townsend:

I reviewed the documentation submitted to demonstrate financial assurance for the above referenced facility and find it is in order. Travelers Casualty and Surety Company of America guarantee bond number 105481493, effective January 14, 2011 and in the amount of \$64,000.00, adequately covers the Department approved closing cost estimate of \$59,608.80. In addition, JP Morgan Chase, N.A. standby trust fund agreement, entered into as of February 14, 2011, is acceptable. Therefore, CEMEX Construction Materials Florida, LLC is in compliance with the financial assurance requirements of 40 CFR Part 264, Subpart H, as adopted by reference in Rule 62-701.630, Florida Administrative Code, at this time.

If you have any questions, please contact me at (850) 245-8745.

Sincerely,

A handwritten signature in black ink that reads "Frank Hornbrook". The signature is written in a cursive style.

Re: CEMEX Construction Materials Florida, LLC, Brooksville **North** Cement Plant Waste
Tire Processing Facility, **2011** Financial Assurance Cost Estimate FDEP Permit
No. Permit No. 71066-003-WT/02

Dear Ms. Madden:

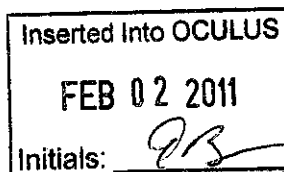

The above referenced facility has experienced no changes the management of waste tires and is operating in compliance with the permit requirements. The North Plant remains closed and did not process tires during 2009.

2010 Closure Cost Estimate = \$59,608.80
FDEP Inflation **2011** Multiplier = 1.01
2011 Disposal Cost Estimate (1.0 x \$59,608.80) = \$60,204.89
