Name: Florida Tire Terminal	
Date: 2/9/2011	Contact: Robert Reisig

Inspector Name: Acting Chief David L. Cloud	Issued:
---	---------

Type of Inspection: Courtesy Inspection
---

Each discrepancy detailed herein is a violation of the Fire Code and shall be corrected by:

Fire Code Reference	Discrepancy / Remarks
See notes	No major hazards found Owner is continuing to work to maintain proper separations in storage areas. It is recommended that a separating barrier be used at the north production building's west wall to maintain a 30 inch clearance to the wall for outside tire storage while keeping drive area clear. No operational changes noted. No changes noted from last inspection.
