**Subject: Transmittal of ADaPT Data**  
**J.E.D. Solid Waste Management Facility (WACS #89544)** **DEP Central Dist.**  
**Class I – Lateral Expansion Construction**  
**Osceola County, Florida**  
**(Permit Application No. SC49-0199726-017)**

Dear Mr. Moore:

On behalf of Omni Waste of Osceola County, LLC (Omni), Geosyntec Consultants (Geosyntec) has prepared this transmittal letter to submit ADaPT data to Florida Department of Environmental Protection (FDEP). This data was requested by Mr. Thomas Lubozynski, P.E. of FDEP in a request for additional information (RAI) letter addressed to Mr. Mike Kaiser of Omni, dated 18 March 2011. Specifically, comment number 18 of the FDEP RAI requested the following:

*18. Please submit the September 2010 sampling data to Tallahassee in ADaPT format using the following WACS numbers and report type:*

MW Testsite Name	WACS #	Zone	ADaPT Report Type for Initial Sample
DP-20	27858	A	ASSMT
DP-21	27859	C	ASSMT
MW-24A	27860	A	ASSMT
MW-25A	27861	A	ASSMT
MW-26A	27862	A	ASSMT
MW-27C	27863	C	ASSMT

Mr. Clark Moore  
18 April 2011  
Page 2

Accordingly, this letter includes the ADaPT data on the attached compact disk (CD). Both the ground water and surface water sampling results from the September 2010 sampling event are included on the attached CD.

## **CLOSURE**

If you have any questions or require additional information, please do not hesitate to contact Mr. Mike Kaiser of Omni at (904) 673-0446, [mkaiser@wsii.us](mailto:mkaiser@wsii.us), or the undersigned at (813) 558-0990.

Sincerely,

Craig Browne, P.E.  
Engineer  
P.E. Number 68613
