Subject Site: Enterprise Class III Landfill and Recycling Facility (Angelo's Recycled Materials) Quarterly LEL Data

Dear Mr. Arnold,

Ideal Tech services, Inc. (ITS) is pleased to present the following notes pertaining to the site of Enterprise Class III Landfill and Recycling Facility (Angelo's Recycled Materials). The second quarterly landfill gas monitoring event of 2011 was performed on 06/02/2011.

06/02/11 Thursday:

0830 - ITS personnel C. Monaco arrived at the site and checked in with the scale house attendant. On this day all of the Landfill Gas wells and the scale house were measured for % LEL as required by the permit. The results of the measurements are presented in the table located in Attachment A. The instrument calibration was performed at the site and the calibration record for the instrument is included in Attachment B.

1030 - ITS personnel logged offsite.

Please don't hesitate to contact us with any questions you may have about the enclosed documents.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "C. Monaco", is written over a horizontal line.

Christopher J. Monaco
