RETURN RECEIPT REQUESTED

RE: Request for Additional Information # 2- Letter from Koogler and Associates dated December 19, 2003, in Response to DERM's Request for Additional Information # 1 letter dated November 24, 2003, for FDEP Permit Application for Waste Tire Processing Facility dated October 27, 2003, FDEP Site # 0146251, for the Rinker Materials Corporation, Waste Tire Processing Facility (SW-1117/File #10118), located at, near, or in the vicinity of 1200 NW 137 Avenue, Miami, Florida.

Dear Mr. Vardeman:

The Pollution Remediation Section (PRS) of the Department of Environmental Resources Management (DERM) acknowledges receipt of the referenced letter received on January 5, 2004, for renewal of the permit for the Rinker Materials Corporation Waste Tire Processing Facility (Facility). The DERM, under delegation of the Florida Department of Environmental Protection (FDEP), has reviewed the referenced letter and hereby finds it incomplete.

Be advised that the evaluation of the referenced application will be delayed until all requested information has been received. Therefore, provide a response to the request for additional information (attached) within forty-five (45) days of receipt of this letter. If you have any questions, please contact Hardeep Anand, P.E., with the PRS at (305) 372-6700.

Sincerely,

Wilbur Mayorga, P.E., Chief
Pollution Remediation Section

**RINKER MATERIALS CORPORATION-WASTE TIRE PROCESSING FACILITY
REQUEST FOR ADDITIONAL INFORMATION # 2**

In order to complete the review of the referenced application pursuant to Section 403.087(4), Florida Statutes (FS), Chapter 62-701, Rules 62-4.055, and 62-4.070, F.A.C., an addendum to the application, which is in accordance with Rule 62-701.320, F.A.C. (Solid Waste Management Facility Permit Requirements, General), and Rule 62-711, F.A.C. (Waste Tire Rule) shall be submitted to this Department which addresses the following. To facilitate your response, the RAI items listed below follow the November 24, 2003, RAI numbering sequence.

- 1) Response Accepted (DERM's letter dated 11/29/03).
- 2) Response Accepted (DERM's letter dated 11/29/03).
- 3) Response Not accepted.
Please reference each document/plan/report (i.e., emergency preparedness manual /contingency plan, fire safety survey, and the closing plan for the facility) by name, date, and author.
- 4) Response Accepted (DERM's letter dated 11/29/03).

Be advised that:

- 5) All application content, format, and sequence shall be in accordance with Rule 62-701.320 (7), F.A.C.
- 6) All information submitted in response to this request for additional information must be submitted as a complete package. A minimum of four copies each of any plans, reports, and supporting information for the proposed construction, operation or closure of the facility shall be provided to the DERM.
- 7) All engineering plans, reports, and information supporting the application shall be compiled by the engineer of record who shall be responsible for assurance that all technical components have been prepared under the direction and supervision and signed and sealed by the professional registered in the State of Florida in each contributing technical discipline (Rule 62-701.320(6), F.A.C.).
