Re: Permit renewal application for CSR Rinker Materials Corp. Facility (File #0133892-002-SO), located at, near, or in the vicinity of 1200 NW 137 Avenue, Miami-Dade County, Florida.

Dear Mr. Vardeman:

The Department of Environmental Resources Management (DERM) has been delegated by FDEP to review and process state permits. On April 27, 2001, you were notified that your application for the renewal of Soil Treatment Facility permit was incomplete. DERM hereby acknowledges receipt of the requested additional information. Your application is complete as of July 9, 2001. This determination is based on the information submitted and on a telephone conversation conducted on August 1, 2001, with your environmental consultant, Steven C. Cullen, P.E., of Koogler & Associates Environmental Services.

Therefore, please be informed that processing of your application has begun. Further, you are advised that the Department under Chapter 120, Florida Statutes, must take final action on your application within ninety (90) days unless the time is tolled by administrative hearing.

If you have any questions, please contact Mr. James Carter, P.E., at telephone number (305)-372-6806. When referring to this project, please use the file number indicated.

Sincerely,
