REF: Renewal Application for Soil Thermal Treatment Facility

Dear Mr. Vardeman:

This letter will serve to acknowledge receipt of your application and processing fee of one thousand dollars (\$1,000.00), check number 20396124, for the renewal of a Solid Waste Permit for a Soils Thermal Treatment Facility. Please be advised that on October 8, 1998, the Department delegated portions of the states solid waste program to the Department of Environmental Resources Management in Miami-Dade County. In accordance with Section 11.01 of the Standard Operating Agreement between DERM and the Department, DEP shall return the application and the associated fees to the applicant with instructions to the applicant, to resubmit the application and application fee made payable to DERM for review and processing. Per your subsequent facsimile request, we are sending a copy of the check and original application to DERM. The original check is being returned to you for a replacement check to be delivered to DERM. The timeclocks for review do not start until DERM receives the replacement check. If you have any questions, please contact me at telephone number 561/681-6669.

Sincerely,

Joseph Lurix, Engineer  
Solid Waste Programs
