Vista Class III Landfill
Response to Closure and Long-Term Care Cost Estimates

Dear Mr. Bermillo:

The Department has reviewed the document "Closure Cost Estimating Form for Solid Waste Facilities" for the Vista Class III Landfill, dated January 25, 2012. The inflation adjustment factor of 1.01 was used to calculate the closure and long-term care estimates.

The document states the adjustment is based on the Department approved closing cost estimate dated 6-16-2011. We do not have a record of approving a cost estimate with that date. The last approved cost estimate was approved by the Department on May 13, 2011 (OCD-SW-11-157, Second Request for Additional Information, Item #16). That estimate was signed and sealed on 4-15-2011. The cost estimates approved by the Department on May 13, 2011 were a closure cost estimate of \$2,784,709.44 and a 30-year long-term care cost estimate of \$2,937,410.85. Please resubmit the closure cost estimating form referencing these figures as the latest Department approved estimates.

If you have any questions, please contact Kim Rush at (407) 897-4314 or by e-mail at kim.rush@dep.state.fl.us.

Sincerely,

F. Thomas Lubozynski, P.E.
Waste Program Administrator
