Tire Disposal Agreement/Proposal

TM Tires, Inc. can provide Consolidated Tire Processing, L.L.C. with a dependable source of tire disposal. Rates are as follows: proposal is for 60 tons of scrap tires to be removed from 3100 South Ridgewood, unit #190, South Daytona, Florida, 32119. Sixty (60) tons is approximately 5,225 tires. There is approximately 1400 tires per 53 foot tractor trailer load. This would require four (4) tractor trailer loads at a rate of .25 cents per tire. Each trailer would be \$350.00 plus \$250.00 load labor cost, totaling \$600.00 per trailer, times four (4) trailer loads the total removal cost would be \$2,400.00.

Thank you in advance for the opportunity to be of service to you and hope that this proposal follows a favorable reply.

Best Regards.
