Tire Disposal Agreement/Proposal

TM Tires, Inc. can provide Consolidated Tire Processing, L.L.C. with a dependable source of tire disposal. Rates are as follows: proposal is for 68 tons of scrap tires to be removed from 3100 South Ridgewood, unit #190, South Daytona, Florida, 32119. Sixty eight (68) tons is approximately 7,000 tires. There is approximately 1,400 tires per 53 foot tractor trailer load. This would require five (5) tractor trailer loads at a rate of .25 cents per tire. Each trailer would be \$350.00 plus \$250.00 load labor cost, totaling \$600.00 per trailer, times five (5) trailer loads the total removal cost would be \$3,000.00.

Thank you in advance for the opportunity to be of service to you and hope that this proposal follows a favorable reply.

Best Regards.
