RE: Citrus Central Landfill

Dear Mr. Berg:

We have not yet received confirmation that you will be able to respond completely to the requirements outlined in my letter of December 29, 1986, by the February 1 deadline.

As I have previously indicated, we expect your application to be complete by that date, or we will take steps to deny the permit. If it is not possible for you to meet the mutually agreed upon deadline, a Consent Order may be needed.

Please advise us as soon as possible as to the status of the work on the project.

Sincerely,

Nick A. Bruno
