To Whom It May Concern:

In reviewing our records and the Annual Yard Trash Report for the calendar year of 2005, a calculation error was discovered in the tonnages reported on lines 10b and 11a.

The correct tonnages are as follows:

Tonnage for line 10b should be: 1,425.01

Tonnage for line 11a should be: 10.77

Sumter County is installing a protocol to avoid any potential future calculation errors.

If there are any questions or comments please contact me at the Sumter County Solid Waste Facility, 835 CR 529, Lake Panasoffkee, Fl. 33538, or by telephone at 352-793-3368.

Sincerely,

Jimmy Wise

Operations Specialist
