| Used Tires        | <u>706.0</u>        | <u>2427.82</u> | <u>&lt;2750.94&gt;</u> |                        |                       |             |                  |
| Other whole Tires |                     |                |                        |                        |                       |             |                  |
| Processed tires   | <u>856.42</u>       |                | <u>2392.91</u>         | <u>&lt;2660.11&gt;</u> |                       |             |                  |
| Processing Waste  |                     |                | <u>358.03</u>          |                        | <u>&lt;358.03&gt;</u> |             |                  |
| Other             |                     |                |                        |                        |                       |             |                  |
| Total             |                     |                |                        |                        |                       |             |                  |

- a. Explain all inventory adjustments. \_\_\_\_\_
- b. List any period in which one or more category of inventory exceeded the permitted maximum for that category. How was that condition relieved?  
 \_\_\_\_\_  
 For any excess inventory at the end of the quarter, state how and when this condition will be relieved. Attach Additional sheets, if necessary.  
 \_\_\_\_\_

9. Certification:

To the best of my knowledge and belief, I certify the information provided in this report is true, accurate, and complete.
